## A Message from the Secretary . . .

The Illinois Shorthorn Breeders' Association offers its fourth consignment of representative cattle from Illinois herds. There are in this state more than 700 members of the American Shorthorn Breeders' Association. While it is not difficult to secure a consignment of Shorthorn cattle in this state, it was with considerable difficulty that these top consignments were literally drafted by the sale manager from many of our leading herds.

Records of past sales indicate that cattle from Illinois State Sales have gone as seed stock into some of the most prominent Shorthorn breeding establishments in the middle west. We can assure you that this offering will be our best because this association has made steady progress toward improvement and quality.

Purebred cattle are no more expensive now, in terms of other commodities farmers have to sell, than they have been in the past. Wise investments here will not only be financially sound, but will provide the right kind of foundation animals.

H. G. Russell, Secretary-Treasurer.

## A Message from the President and Sale Manager . . .

The Illinois Shorthorn Breeders' Association is the largest and liveliest state organization of Shorthorn cattle breeders in the country. Its members are progressive in the methods of conducting their own herds and equally progressive in the cooperative effort of boosting the breed in this great agricultural state.

The 75 cattle that are to be sold in this sale were literally drafted from the herds of 34 highly respected Illinois breeders. All could have been sold easily at private treaty but these loyal members of the Illinois Shorthorn Breeders' Association have held them for this Illinois "Victory" Sale. There will be 42 bulls in the sale and they have been accepted only because of their ability to improve the herd of all who are fortunate enough to buy them. The 33 females are a perfectly beautiful lot, capable of working improvement wherever they go. To all who are in the market for good seed stock we say "Buy in Illinois . . . in this sale." We are proud to present these cattle in the name of the Illinois Shorthorn Breeders' Association and it is our firm belief that every animal in the offering is bred to reproduce unfailingly.

L. E. MATHERS, President  
HAL LONGLEY, Sale Manager

ABBEWYTH

*You can buy with confidence in ILLINOIS. This picture was taken in the pasture at Marellbar Farms, consignors to this sale.*

The best contribution any farmer can make to his country's present need is to produce the greatest number of the best Shorthorns within his power.

## **You Can Get BETTER CATTLE and BETTER VALUES in Illinois**

Do you want to make an interesting trip . . . one that will enable you to visit two great State Universities as well as to inspect 100 head of top cattle consigned from the best herds in two great Shorthorn cattle states? If so, attend the Indiana Shorthorn Breeders' Ass'n. Show and Sale on April 3d and the Illinois Shorthorn Breeders' Ass'n. Show and Sale on April 4th. The former event will be held at Purdue University, Lafayette, Indiana and the latter event will be held at the University of Illinois, Urbana, Illinois. The two events are only 80 miles apart. Plenty of transportation will be available for those who do not drive their own cars. Doesn't this sound like an interesting and profitable two day trip?

Indian Creek Browndale — We believe this bull displays the type that breeders are seeking . . . short legs and thickness. He is the same age as the Calrossie Prince Peter bull that I bought at the Miles-of-View sale in 1942 and it is only because he is so closely related to many of my females that I am offering him for sale. He was third in his class at the Denver Show last year. He has always been a good doer. We have two calves by him and they mark him as a good sire. Be sure to note the great bulls listed in this pedigree.

This red calf is straight and level in his lines, smoothly made, rugged and the kind that will mature into a real honest-to-goodness herd bull. His dam is the right kind, his color perfect and his breeding loaded with the best of the breed.

*Helfred Majestic, the Bowers & McCoy Herd bull whose calves have topped former Illinois sales. Three daughters, one son and one grandson will sell in this sale.*
